Administrative Action

JOSEPH PUCCI *RI 17916*

MODIFICATION OF
ORDER OF REINSTATEMENT

TO PRACTICE PHARMACY IN THE
STATE OF NEW JERSEY

This matter was originally opened to the New Jersey State Board of Pharmacy upon application of Joseph Pucci for reinstatement of his license to practice pharmacy in the State of New Jersey. On March 19, 2002 by order of the Board of Pharmacy, respondent's license to practice pharmacy was revoked with no right to request reinstatement prior to the termination of his criminal probation. Respondent produced proofs that his criminal probation was terminated on April 28, 2003. The Board considered correspondence from the United States Attorney's office stating that respondent had truthfully disclosed all relevant information in his possession to that office, and determined

to reinstate respondent's license subject to certain restriction and conditions.

Respondent now asks the Board to modify paragraph 2b of that Order, filed in October of 2003 (attached hereto), to allow respondent to reinstate his right to participate in government insurance programs.

IT IS THEREFORE on this 26th day of SEPTEMBER 2007,

ORDERED that:

Paragraph 2b of the October 15, 2003 Order is hereby modified to: Respondent shall be barred from dealing with any programs administered in whole or in part by the federal or State government including, but not limited to, any dispensing, consulting or billing activity, or management of a pharmacy until such time as the federal and State government reinstate respondent to their programs.
